By Electronic Case Filing

Honorable Nelson S. Roman  
 United States District Court  
 for the Southern District of New York

Re: Teamsters Local 456 Pension, Health & Welfare Funds, et al. v.  
Mid Hudson Trucking, Inc., et al., Civil Action No. 7:20-cv-02026-NSR

Dear Judge Roman:

We represent Plaintiffs in the above-referenced matter. We write to request a thirty (30) day postponement of the June 30, 2021 hearing on the Court issued Order to Show Cause.

The reason for the request is that recently Defendants submitted remittance reports reflecting less due than had been estimated and today, Defendants contacted Plaintiffs and advised that payment would be forthcoming within three weeks and that reports for additional months will be submitted, and paid shortly. As such, if this request is granted, Plaintiffs will use this time to try and finalize settlement, but in any event, if payment is not received, will provide the Court with new figures as a result of the recent developments.

We thank the Court for its consideration of this request.

Respectfully submitted,

*Michael S. Adler*
